

TCT30 Timer Crane Trailer

Precision Lifting, Anywhere, Anytime!

TCT30 Specifications

Model	TCT30
Max. Reach	3900mm
Lifting Capacity	300kg
Max. Opening Grapple	700mm
Working Pressure	20 Mpa
Pump Capacity	5.8 L/min
Max. Load	3000kg
Hydraulic Oil Tank	12L
Motor	6.5HP Lifan or Honda GX160
Wheels	22x11-10
Length	4600mm
Width	1550mm
Weight	900kg
Optional Extras	
Remote control hydraulic winch	
Extra Honda motor	

The TCT30 Timer Crane Trailer is the ultimate solution for efficient and precise material handling in the field. Engineered for performance and versatility, this crane trailer is perfect for demanding environments where portability and reliability are key.

Key Features:

- **Impressive Reach:** With a maximum reach of 3900mm, the TCT30 ensures you can access and lift materials with ease.
- **High Lifting Capacity:** Capable of lifting up to 300kg, it's designed to handle heavy-duty tasks.
- **Durable Grapple:** The grapple opens up to 700mm, making it versatile for gripping and lifting various materials.
- **Optimal Hydraulic Performance:** Operates at a working pressure of 20 Mpa, powered by a pump with a capacity of 5.8 L/min.
- **Exceptional Load Capacity:** Can carry a maximum load of 3000kg, ideal for heavy transport requirements.
- **Robust Hydraulic System:** Equipped with a 12L hydraulic oil tank for smooth operation.
- **Powerful Engine Options:** Choose between a reliable 6.5HP Lifan engine or the trusted Honda GX160.
- **Heavy-Duty Wheels:** Fitted with 22x11-10 wheels for stability and maneuverability on various terrains.
- **Compact Yet Sturdy:** Measuring 4600mm in length and 1550mm in width, with a total weight of 900kg, it's built for portability and durability.
