MCM RSL14

ROUGH TERRAIN SCISSOR LIFT

SPECIFICATIONS

SPECIFICATIONS		
	Load capacity	600 kg
	Extended platform loading capacity	113 kg
	Max. working height	16 m
	Max. platform height	14 m
	Overall length	4.878 m
	Overall width	2.23 m
	Overall height (fence not folded)	3.21 m
	Overall height (fence folding)	2.44 m
	Work platform size	3.98 × 1.83 × 1.1 m
	Platform extension size	Front overhang 1.36 m; Rear overhang 1.02 m
	Platform bidirectional extension dimension	6.36 × 1.83 m
	Wheelbase	2.83 m
	Min. turning radius (inner wheel)	2.75 m
	Min. turning radius (outer wheel)	5.80 m
	Machine travel speed (close state)	3.5 km/h
	Ascending/Descending Speed	3–5 m/min
	Power	Diesel Kubota
	Gradeability	30%
	Max. allowable working angle	2°/3°
	Tyre	33 × 12-20/80
	Hydraulic oil tank capacity	105 L
	Machine weight	7500 kg
